

Time Conflict Enrollment Petition

CSUN Policy: Students are not permitted to enroll simultaneously in classes meeting during the same time period. Students are advised to enroll in alternative classes that will not conflict with their current class schedule. Exceptions to this policy will be permitted only if one of the classes does not meet on a regular basis. **Students must submit a completed Time Conflict Petition in person to Admissions and Records. Students attending classes through The Tseng College of Extended Learning must submit this form to Extended University Commons (EU) 200.**

Deadline: No later than Friday of the 4th week of classes.

- If you have exceeded your maximum number of enrolled units, this Time Conflict Enrollment Petition request will not be processed without an approved Extra Unit Authorization form.
- If the course you are wishing to enroll in (the conflicting course) is being repeated for the third time or is being repeated due to a major requirement, then an approved third Repeat Approval Request form will be required along with this Time Conflict Enrollment Petition.
